Dear Mr. Ramsey:

Re: January 16, 1991, Status Summary Letter - Barneys Canyon Project, M/035/009,
Kennecott Exploration, Salt Lake County, Utah

Your response to the Division's December 20, 1990 letter was received on January 13, 1991. Please accept our apologies for the delay in acknowledging the receipt of your letter. Due to a backlog of permit applications and other Division concerns, your letter was given a lower priority.

The information satisfies the Division's concerns with regard to the Barneys Canyon Project at this time. Please keep us abreast of any significant changes in project development or scheduling. We look forward to receiving the engineering design for Leach Pad BC-3 in June, 1991.

Sincerely,

D. Wayne Hedberg
Permit Supervisor
Minerals Regulatory Program
